## TRAINING

# APPOINTED PERSON (MOBILE CRANES) TRAINING

The appointed person training programme is designed to provide delegates involved in lifting operations with clear knowledge and understanding of relevant legal and practical requirements to develop the various lifting plans and risk assessments to ensure and execute lifting operations in a safe and controlled manner.

Delivered by our experienced instructors, our training programmes ensure that safety critical lifting training is available around the globe at the highest standards.

### WHO SHOULD ATTEND?

Those responsible for the planning, organisation and supervision of lifting operations involving mobile cranes. This course is suitable for individuals who have completed the rigging and slinging course and have gained sufficient experience in cranes and lifting operations.

The course is particularly suitable for those in the construction, engineering and manufacturing industries, and those who are involved in lifting operations who want to develop their understanding further.

### WHAT ARE THE PREREQUISITES TO ATTEND?

It is recommended that candidates have completed the advanced rigger slinger course before attending this course. Candidates must have relevant work experience in the use of mobile cranes and lifting operations. Candidates should also have a good understanding of basic mathematical principles, as well as good communication skills to complete lifting operations safely.

### WHAT IS THE DURATION OF THIS COURSE?

Five days.

### WHAT ARE THE AIMS OF THE COURSE?

To provide delegates with a better knowledge and understanding of legal responsibilities and practicalities required to develop lifting plans and risk assessments to ensure safe and controlled lifting operations.

### WHAT WILL BE COVERED?

Delegates will be assessed in a mix of theoretical and practical elements. Practical exercises will be assessed on an ongoing basis and a theoretical exam is conducted at the end of the course. The key areas of focus include:

- Health and safety legislation
- Duties and responsibilities
- Crane selection and configuration crane set up
- Risk assessments
- Planning and organising lifting operations
- Slings and signalling
- Lift analysis and sling tensions.

### WHAT CERTIFICATE DO ATTENDEES RECEIVE ON COMPLETION OF THIS ASSESSMENT?

An Altrad Sparrows appointed person (mobile crane) certificate will be awarded to the candidate on successful completion of all practical and theoretical elements. The certificate is valid for two years.

### Developing competence and reducing risk

Having worked in the offshore industry since 1975, Altrad Sparrows has unrivalled experience in offshore lifting operations, competence assessment and training. Our goal is to help build a strong safety culture in the workforce, reducing the frequency and severity of incidents which could cause harm to people or property.

We are the only company in the world to offer onshore coaching in a real offshore pedestal crane and a crane simulator. Delivered by our experts who are all staff and have hands-on experience in their fields, our programmes ensure students reach Altrad Sparrows' industry-leading standards. Training programmes are accredited to ISO:9001, OPITO and BFPA in the UK and API RP2D in the US.

As well as offering a number of standard courses, unlike many other training providers, we offer bespoke training solutions that meet our clients exact objectives. We can deliver our training at your location, both offshore and onshore.
