## TRAINING

# OPITO BANKSMAN AND SLINGER COMPETENCE REASSESSMENT

The OPITO banksman and slinger competence reassessment is for those with OPITO competence assessment certification who wish to become re-certified.

With 45 years' experience as a technical authority in crane and lifting operations, our training ensures people are developed for safety critical lifting roles at the highest standards.

### WHO SHOULD ATTEND?

The banksman and slinger competence reassessment is for personnel who want to become OPITO re-certified competent banksman and slingers.

### WHAT IS THE DURATION OF THIS ASSESSMENT?

One day.

### WHAT ARE THE PREREQUISITES FOR THIS ASSESSMENT?

All learners must hold a valid and in-date OPITO banksman and slinger competence assessment or competence reassessment certificate.

### WHAT ARE THE AIMS OF THIS ASSESSMENT?

To establish that the learner has maintained the required underpinning knowledge, understanding and practical skills to fulfil the role of banksman and slinger safely, effectively and competently.

Continued overleaf...

### WHAT WILL BE COVERED?

Learners will undertake a practical assessment where they must demonstrate their competency in the following areas:

- Direct and control the movement and placing of loads
  - Maintaining clear and accurate communication with crane operator
  - Awareness of other ongoing operations which may affect lifting activities.
- Prepare and sling loads
  - Establish the weight of the load
  - Determining and checking the lifting method
  - Lifting accessories
  - Slinging of loads
  - Clearing the work area.

There will also be a knowledge assessment to test theoretical understanding.

### WHAT CERTIFICATE DO ATTENDEES RECEIVE ON COMPLETION OF THIS ASSESSMENT?

An OPITO accredited banksman and slinger competence reassessment certificate is awarded on successful completion of both the knowledge and practical assessments.

The certification is valid for two years. Learners must complete the OPITO banksman and slinger competence reassessment every two years to remain certified.

## OPITO

OPITO has been setting standards for the oil and gas industry since 1991 to help improve workforce safety and competence – over 350,000 people per year train to OPITO Standards across the globe.

Producing world-class, industry-driven standards that are recognised globally, OPITO undertakes robust approval and monitoring processes to ensure that approved training providers deliver a consistently high level of training in compliance with the standards.
